2.2 Effective Date of Coverage

The effective date of coverage for new employee members in the health, dental, and vision insurance plans provided employees shall be the first day of the first bi-weekly pay period next following the date of appointment to employment as a regular employee or as a contract or part-time employee, who, by such contract or part-time provisions, is eligible for the stated insurance coverage.

2.3 Health Insurance Options

The County shall provide one or more options for health insurance coverage for eligible employees and their eligible dependents. Health plans offered to employees may be either self-funded by the County or fully insured.

Health plans shall coincide with the fiscal year.

2.3.1 Health Insurance Premiums

The County will pay 100% of the employee-only premium for employees electing the Kaiser or

Select Plans. For employees electing dependent coverage on the Kaiser or Select Plans the County shall contribute 80% of the premium and the employee shall pay 20% of the premium.

For employees electing the Premier Plan, the County shall contribute at the same coverage level as the Select Plan County contribution for employee-only coverage or dependent coverage. Employees will pay the difference between the County contribution and the full rate of the Premier Plan at each coverage level.

Effective December 9, 2019, the above paragraphs of this section expire and the below paragraphs become effective. Before this date the County will setup an open enrollment period to allow employees to make benefit changes including the option to enroll in Sutter Health Plus, Delta Dental Core, Delta Dental Buy Up, and VSP Buy Up plans.

The County will pay 80% of the employee-only premium for the lowest cost PPO plan or HMO plan and the employee shall pay 20% of the premium. For employees electing a PPO other than the lowest plan, the County shall contribute at the same coverage level as the lowest cost PPO plan County contribution and the employee shall pay the difference between the County contribution and the full rate.

The County will pay 80% of the dependent premium (employee plus one, and employee plus family) for the lowest cost PPO plan or HMO plan and the employee shall pay 20% of the premium. For employees electing a PPO other than the lowest cost plan, the County shall contribute at the same coverage level as the lowest cost PPO plan County contribution and the employee shall pay the difference between the County contribution and the full rate of the premium plan.

For any new plan options, the County will pay 80% of the premium and the employee shall pay 20% of the premium for employees electing the lowest cost PPO or HMO plan at all tier levels (employee only, employee plus one, employee plus family). If a higher cost PPO plan is implemented, the County shall contribute at the same coverage level as the lowest cost PPO plan County contribution and the employee shall pay the difference between the County contribution and the full rate.

2.3.3 Coverage For Surviving Dependents

Consistent with the Federal Consolidated Omnibus Budget Reconciliation Act of 1986 (COBRA), surviving dependents of any County employee who is covered by County-offered health insurance and who dies while employed, whether in paid or unpaid status, shall be allowed to retain their dependents' coverage, provided that the dependents elect COBRA coverage and pay their applicable premiums by the due date. This provision is not intended to replace the notice requirements under COBRA.

2.3.4 Health Plan Information

SJDSA shall have input in the selection of the provider and the insurance broker for the County health, dental, and life insurance programs.

2.3.5 County Right to Discontinue Benefit Plans

The County may, at any time, discontinue a plan that triggers the Cadillac Tax (26 U.S. Code § 4980I), or that might, as determined by the County, trigger the Cadillac Tax. Employees enrolled in discontinued plan may either enroll in an existing plan or waive participation in County health benefits coverage. Employees who do neither will be enrolled in the lowest cost self-insured health plan available at that time or the lowest cost fully insured health plan available if no self-insured health insurance option exists at that time.

2.4 Dental Insurance

The County shall provide one or more options for dental insurance coverage for eligible employees. Such plans may be fully insured or self-insured by the County. The County shall pay 100% of the employee only premium. Access to dependent dental coverage is available in any County offered plan at the employee's expense.

Orthodontic coverage is available for dependent children only, to age 26, for employees electing dependent coverage. The plan will pay 50% of actual costs. The maximum amount of orthodontia coverage per dependent is \$1,200, lifetime.

The maximum annual dental benefit per person in a self-insured dental plan shall be \$3,000.

2.5 Vision Insurance

The County shall provide one or more options for vision insurance coverage for eligible employees and dependents. The County shall pay an amount equal to the employee-only premium for the least expensive vision insurance plan, and any increases thereto, for the term of this memorandum. Dependent vision coverage is available at the employee's expense.

2.6 Life Insurance

The County shall provide each eligible employee with life insurance coverage as follows:

- (c) Five but less than ten continuous years of service -- \$5,000.
- (d) Ten continuous years of service or more -- \$10,000.

For the purposes of this subsection only, a year is defined as twelve (12) consecutive calendar months of employment.

2.6.1 Additional Life Insurance

Employees in this unit shall be provided with a County-paid term life insurance policy with a face value of \$40,000. The policy shall include a double indemnity accidental death and dismemberment provision.

If an employee separates from employment with a service or disability retirement, this policy shall continue through the first twelve (12) months following such separation and thereafter the face value of coverage to 100% shall be reduced at a rate of 20% per year so that such benefit would terminate at the end of sixty (60) months after separation.

Eligible employees in this unit shall have the option to purchase additional term life insurance in increments of \$25,000 to a maximum of \$200,000 at the County's rate.

2.8 Flexible Benefits

Employees in this unit shall have the option to participate in a flexible benefit program (as allowed and prescribed by Section 125 of the Internal Revenue Code and applicable IRC sections and regulations) which permits the payment of unreimbursed health, dental, life and other forms of insurance premiums as well as eligible dependent care costs with pre-tax dollars.

The flexible benefit program shall be expanded to include other unreimbursed expenses permitted by the Internal Revenue Code and its related regulations. Any Internal Revenue Code amendments which affect these deductible medical expenses and/or County liability will void that portion of the flexible benefit program.

2.9 Continuation of Insurance Benefits While On Leave of Absence

When an employee is on an authorized leave of absence without pay, the employee shall be allowed at the employee's own expense to remain under the health, dental, vision, and life insurance coverage for up to twenty-six (26) bi-weekly pay periods provided that such employee shall pay the applicable premiums at least two (2) weeks prior to the premium due date. Specific arrangements for such coverage shall be made with the Human Resources Division.

Effective January 1, 2020, or such later date as determined in the sole discretion of the County, the preceding paragraph becomes inoperative and the following will apply:

When an employee is on an authorized leave of absence without pay the employee shall be allowed at the employee's own expense to remain under the health, dental, vision, and life insurance coverage for up to twelve (12) consecutive calendar months provided that such employee shall pay the applicable premiums at least two (2) weeks prior to the premium due date. (g) Employees who have sick leave accruals can use up to forty (40) hours of such sick leave time to care for a new or adopted child.

An appointing authority shall not require "after the fact" verification.

3.3.5 Sick Leave Abuse

The determination of the Director shall be subject to the filing of a complaint by the employee in accordance with the County's Employer-Employee Relations Policy.

3.3.7 Sick Leave Incentive Program

In an effort to reduce the level of sick leave usage, the County agrees to the following sick leave incentive plan.

The employee's last performance evaluation must be at least satisfactory. Leave may initially be granted for up to one (1) year and may be extended up to an additional year.

Forms for request of leave of absence are maintained in each department. Requests for leave of absence shall be submitted sufficiently in advance of the proposed effective date to permit the Department Head and the Director of Human Resources to take action prior to that date.

3.8.5 Effect of Unpaid Leave of Absence on Other Leaves

No employee who has been granted a leave of absence without pay shall accrue any vacation, sick leave or holiday during the time of such leave nor shall such time count toward gaining permanent status.

3.9 Family Leave

3.9.1 State Family Leave

In accordance with State law, any employee with more than 12 months of service with the County and who has worked a minimum of 1250 hours in the 12 months prior to the start date of the leave, may take a family care leave of up to twelve (12) weeks or 480 hours in any 12 month period. An employee who takes such family care leave shall be returned to employment in the same or a comparable position upon return from said leave.

Family care leave may be utilized in conjunction with the birth of a child of the employee, the placement of a child with an employee in connection with the adoption or foster care placement of the child for the serious medical condition or illness of the employee, or to allow the employee to care for a parent, spouse, domestic partner or child who has a serious health condition.

For the purposes of this Section, the terms "employment in the same or a comparable position", "child", "parent", and "serious health condition" are as defined in Section 12945.2 of the Government Code.

The reasonable advanced notice, scheduling and certification requirements of 12945.2, (h), (i), (j), and (k) shall also apply.

An employee who takes family care leave shall be required to use accrued vacation, compensatory time, floating holiday and regular holiday time during such leave. In accordance with County regulations governing the use of sick leave, the employee may also use accrued sick leave time. An employee on State Disability Insurance shall not be required to use more leave than is necessary, in conjunction with SDI, to receive a full paycheck.

An employee who takes family care leave in an unpaid status shall be eligible for fringe benefit coverage on the same terms as an employee on any other unpaid leave of absence.

For issues related to illness, this section applies to medical leaves of absence that meet the definition of a "serious health condition" as defined in Section 12945.2 of the Government Code or Section 29 CFR 825. 113 of the federal Family and Medical Leave Act.

3.9.2 Federal Family and Medical Leave Act

San Joaquin County will comply with the federal Family and Medical Leave Act, maintaining all rights or restrictions that are permitted by the federal Family and Medical Leave Act.

3.9.3 School Activities

The County of San Joaquin shall comply with any federal or state law requiring an employer to grant time off to participate in a child's school activities. Current state law provides that parents may take up to 40 hours per year, but not more than eight (8) hours per month, to participate in their children's school activities. Current state law provides that at the request of the employer the employee shall provide documentation as proof of the employees' participation in their children's school activities on a specific date and at a particular time. For purposes of this section "documentation" means whatever written verification of parental participation the school or licensed child day care facility deems appropriate and reasonable. Employees working a shift greater than eight (8) hours per day may take one full shift per month, subject to the 40 hour maximum. An employee may take unpaid leave or may use accrued vacation, compensatory, or floating holiday or regular holiday time.

3.10 Catastrophic Leave Program

3.10.1 Conditions of Participation

Applications for receipt of catastrophic leave donations will be processed by the San Joaquin Deputy Sheriff's Association.

(a) A County employee becomes eligible to receive catastrophic leave donations when the following two (2) conditions both occur:

(1) The employee has exhausted, or will soon exhaust, all his/her accrued leave as a result of a verifiable long-term illness or injury suffered by either the employee or an immediate family member, as defined in San Joaquin County Ordinance Code Section 2-5230.

(2) The employee has received approval for an unpaid leave of absence from his/her Department Head.

(b) Employees may donate accrued vacation, compensatory time or holiday time; sick leave may not be donated.

(c) Donations may be made in whole hour increments from a minimum of two (2) to a maximum of eight (8) hours per donor in each donation period.

(d) Donors must have an overall leave balance of 80 hours remaining after donated time has been deducted.

(e) Once donated to an individual, donated leave cannot be reclaimed by the donor.

3.10.2 Processing of Donations

Upon receipt of donation authorizations, the Auditor-Controller shall take the following actions:

(a) Verify that donating employee has minimum required leave balance required for the donation and convert donated time to dollars at the hourly rate of the donor and subtract from the designated leave category. Pay supplements which are a percentage of base salary (except above-class pay and special-assignment pay) shall be added to the base salary prior to converting the value of the donated time to the recipient.

(b) Convert donated dollars as computed above to hours at the hourly rate of the recipient and add to recipient's sick leave balance.

(c) Notify departments of changes in leave balances by noting Auditor adjustments on the payroll certs for the next payday.

(d) Retain a confidential file of donation authorizations.

3.10.3 Treatment of Donated Time

Donated time is treated as sick leave accrued by the recipient of the donation.

Donated time does not alter the employment rights of the County or the recipient, nor extend or alter limitations otherwise applicable to Leaves of Absence or Sick Leave, except as noted in this agreement.

Employees who are utilizing donated sick leave hours will continue to accrue vacation and sick leave in accordance with the provisions of this Memorandum of Understanding.

If catastrophic leave donations are made due to the medical condition of an employee's immediate family member, the eighty (80) hour limitation on the use of family sick leave is waived for absences resulting from that condition only.

3.11 Leave for Promotional Examinations

Employees shall be allowed the necessary time off with pay to participate in promotional examinations for the County, which are held during their regular work hours.

3.12 Effect of Re-Employment on Leave Accrual Rates

A former employee who returns to County service shall not be entitled to accumulated sick leave benefits unless the return to County service is the result of reinstatement within one year of termination of employment or is a result of re-employment after a layoff due to lack of work, lack of funds, or in the interest of economy.

Employees who are reinstated to County service within one year of termination of employment will be returned to the same vacation accrual rate and salary grade step that was held at the time of separation.

4 COMPENSATION

4.1 Salaries

Effective October 14, 2019, employees in this unit shall receive a cost of living adjustment of two percent to base salary.

Effective October 12, 2020, employees will receive a cost of living adjustment to base salary of one percent.

Effective October 11, 2021, employees will receive a cost of living adjustment to base salary of three percent.

4.2 Supplemental Pay

4.2.1 General

No employee shall receive supplemental pay when on vacation, sick leave, sick leave in conjunction with the receipt of State Disability Insurance or Worker's Compensation temporary disability payments, compensatory time off, holiday, or paid military leave unless such employee shall have been performing duties for a period of not less than four (4) full bi-weekly pay periods or unless such supplemental duties are scheduled, upon assignment, to last not less than four (4) full bi-weekly pay periods. Unless otherwise specified by the appointing authority or the appointing authority's designee, such supplemental duty assignment shall be presumed to be scheduled upon assignment for at least four (4) full bi-weekly pay periods.

4.2.2 Special Assignment Supplement

The Director of Human Resources may authorize a 5% salary increase to any employee designated by the County Administrator to be on special assignment.

4.2.4 Standby Pay

A Department Head, with the approval of the County Administrator, may designate employees in certain classes to be in a standby status. An employee who is on standby status must be at a location where the employee can be reached at all times and upon being called shall return to work immediately. An employee who is recalled to work shall be deemed to be off standby status and the employee shall not receive standby pay for the hours the employee is paid to work, whether on a straight time or overtime basis.

Employees who perform standby duty shall be compensated at 25% of their regular hourly rate.

4.2.5 Work Above Class

A Department Head may temporarily assign any employee to perform duties normally assigned to a classification with a higher salary without changing the salary of such employee provided the temporary assignment does not exceed five (5) work days in a thirty (30) calendar day period or twenty (20) work days in a one hundred and eighty (180) calendar period. If an employee is assigned to a classification with a higher salary range for more than five (5) work days in a thirty (30) calendar day period or twenty (20) work days in a one hundred and eighty (180) calendar period, the employee shall be compensated, beginning with the sixth day of such above-class assignment, at an amount equal to what the employee would receive if promoted to the higher class, or 5% if no class exists. Such assignment must receive approval of the Director of Human Resources. Assignments to cover routine vacation or sick leave absences will not be approved.

Employees who are being paid for working in a higher classification are not eligible for merit increases in the higher classification. Whenever an employee working in a higher classification receives a merit increase in the employee's regular classification or the employee's regular salary is otherwise increased or decreased, the employee's pay for working above class shall be adjusted so that the employee continues to be compensated at the rate specified above.

Once an employee establishes eligibility for working above class pay in a calendar year, the employee shall retain eligibility for out of class pay for the remainder of that calendar year. Employees must re-qualify each year.

4.2.7 Longevity Pay

Employees are entitled to highest of the following supplements for which they qualify, based on continuous service in this bargaining unit:

Effective October 14, 2019: 14,560 or more regular paid hours – 1% of regular base salary.

Effective October 12, 2020: 20,800 or more regular paid hours – 3% of regular base salary.

Effective July 5, 1999, employees in this unit holding an Advanced POST certificate and who have completed 24 years of service as a Deputy Sheriff shall be compensated 15 % of base salary bi-weekly.

4.2.9 Canine Program

It is agreed that deputies who are assigned to the Canine Program spend up to 4 hours each week on all extraneous duties related to the Program outside of regular assigned shift time. This time (up to 4 hours) is to be considered assigned work time and paid at the deputy's applicable pay rate. In any week in which the deputy works 40 hours exclusive of these extraneous Program duties, the 4 hours of extraneous duties are overtime hours, to be paid at time and one-half. No time in excess of the above weekly limit shall be expended on these duties without prior approval of the appropriate supervisor.

This canine program may be canceled at any time at the discretion of the Sheriff without further obligation to meet and confer.

Nothing in this section replaces, changes, or modifies any other right or terms and conditions of employment specified in resolutions, Memoranda of Understanding, the Employer-Employee Relations Policy or other documents applicable to the SJDSA.

4.2.12 Additional Compensation – Bilingual Pay

Each employee who is designated by the appointing authority and approved by the County Administrator and who has passed a bilingual proficiency examination administered by Human Resources Division shall receive a biweekly supplement of five percent (5%) of base pay.

4.2.15 Additional Compensation

The association acknowledges that unit members are not entitled to an administrative appeal (White hearing) when they are transferred from a specialty pay position.

4.2.16 Parking Supplement Downtown

Effective upon implementation of the Select and Premier Healthcare Plans the County agrees to contribute the actual cost up to \$17.00 per biweekly pay period, directly to the Central Parking District, for eligible employees who work in the Downtown Core Area, as defined in the report on Employee Parking in Downtown Stockton as adopted by the Board of Supervisors February 13, 2001. Eligible employees utilizing parking lots that are not part of the Central Parking District will be reimbursed the actual amount of their monthly parking receipt up to \$36.83 per month as submitted with a County Expense Reimbursement Claim form through their departments normal reimbursement process.

During the term of the agreement the County may provide alternative downtown parking options which will be in lieu of the parking supplement as described above.

4.3 Paycheck Exceptions

A paycheck exception is defined as the incorrect reporting of payroll or failure to process the following payroll actions, causing an employee to receive less than the pay to which he/she is entitled for that pay period: step increases, supplemental pays, overtime. Paycheck exceptions (except overtime exceptions) in excess of \$100 in terms of gross pay, if presented by noon on the Friday following payday, shall be paid within two (2) working days of presentation of the claim to the Auditor-Controller. Overtime exceptions shall be paid no later than the following paycheck.

All payroll errors resulting in gross pay overpayment, net pay overpayment or granting of other compensation or benefits in error must be repaid to the County. Employees shall be allowed, at employee's option, to use accrued annual and holiday leave and compensatory time to repay the County in cases of payroll errors resulting in gross salary overpayment. Such errors may result from use of an incorrect salary rate, reporting the wrong number of hours worked, or misclassification of hours worked.

Accrued annual and holiday leave and compensatory time may not be used to repay the County for net salary overpayments that do not result from gross salary errors. Such errors include, but are not limited to, underwithholding of deductions for employee-paid benefits and taxes. Employees may repay a net salary overpayment, due to an underwithholding, over the same amount of pay-periods that the underwithholding occurred.

4.4 Mileage and Travel Expenses

If it is legally possible to do so, the County shall grant advance travel pay when requested by the employee at such times as the employee is traveling outside the County on County business.

The mileage allowance for use of personal vehicles on County business shall be paid according to the rates allowed by the Internal Revenue Service and shall be adjusted to reflect changes in this rate the beginning of the first full bi-weekly pay period following announcement of the changed rate by the Internal Revenue Service.

Meal and lodging reimbursement shall be authorized and paid in accordance with procedures and requirements listed in Section 3500 of the Administrative Manual of San Joaquin County. Those reimbursement limits shall not be changed without meeting and conferring with SJDSA.

Travel time for County-authorized training shall be computed in accordance with FLSA procedures.

5 DAYS AND HOURS OF WORK - OVERTIME

5.1 Work Week

Unless otherwise provided for in this Memorandum or in any Resolution or Board Order, the base compensation for employees shall be deemed to be compensation per bi-weekly pay period and is predicated upon a forty (40) hour work week. A bi-weekly pay period shall consist of eighty (80) working hours and the base compensation provided shall be payment in full for all services rendered to the county except as otherwise provided.

5.2 Working Hours

In accordance with the Board of Supervisors' policy, a Department Head may change the working hours of individual employees to accommodate functional needs of the department so long as no change is made in the regular hours of the department.

Except in cases of emergency, it is the intention of the Sheriff to provide members of this unit with five (5) days notice of any change in scheduled shift assignment.

5.3 Overtime

For the purposes of determining an employee's eligibility for overtime compensation, all straight time hours on payroll except sick leave shall be considered "hours worked".

If, in the judgment of a Department Head or duly-authorized designee, work beyond an employee's normal workday or work week is required, the Department Head or designee may order such overtime work. Except as provided in this Section, employees shall be eligible for overtime compensation when:

- (a) An employee works in excess of the number of hours in his/her normal workday.
- (b) An employee works in excess of eighty (80) hours in a bi-weekly pay period.
- (c) An employee whose normal work week is five (5) scheduled eight (8) hour days in a calendar week of seven (7) days works more than forty (40) hours and five (5) days in a calendar week.
- (d) An employee who, because of shift changes, works two (2) or more shifts in any twenty-four (24) hour period and is off duty less than eight (8) hours between shifts. In such case, the employee shall be compensated for any additional shift(s) in the same manner as for other overtime notwithstanding (b) and (c) above.

(e) An employee is required to work during a lunch period for which the employee does not ordinarily receive compensation.

5.4 Overtime Exception

Employees whose normal work week varies from the normal five (5) days in a calendar week of seven (7) days shall not be eligible for overtime compensation, except as described in (a), (b), and (d) above.

5.5 Call-Back Overtime

5.5.1 Definition

Call-back overtime is defined as overtime required of an employee who, following completion of the employee's assigned workday, is notified to report back to duty. Contiguous overtime, or overtime assigned to be worked within one (1) hour after completion of the regular work shift, or overtime assigned by the Department Head or designee which is performed at a time convenient to the employee shall be excluded from the three (3) hour minimum unless such overtime is performed on a regular day off.

5.5.2 Compensation

An employee who performs call-back overtime shall receive credit for the actual time worked, but not less than three (3) hours credit each time the employee is called back. An employee who performs call-back overtime shall be compensated according to the provisions of Section 5.6.

The Sheriff, or his designee, retains the right to schedule and order overtime when in his, or his designee's, judgement the necessity arises.

Prior to the assignment of any overtime the Sheriff, or his designee, shall move deputies from less critical assignments within the Department to the necessary locations.

In the event there is still a need for overtime, the assignment of deputies will be made from a volunteer list.

If there are an insufficient number of deputies who have volunteered, the Sheriff, or his designee, shall then "call back" (order) deputies who are on their day off to work overtime and shall pay them in accordance with the "call-back" provisions of this section.

The Sheriff, or his designee, should at all times attempt to avoid calling back (ordering) any deputy to work overtime on two consecutive days off, unless the deputy has signed the volunteer list to do so.

In the event the Sheriff, or his designee, deems it necessary to "call back" (order) a deputy to work two consecutive days off, the second day of assignment shall be compensated at a minimum of five hours of pay.

In the event an emergency is declared by the Sheriff, or his designee, the additional compensation for the two or more consecutive days of assignment while on days off shall not apply, and deputies shall be paid in accordance with the "call-back" provisions of this section.

5.6 Overtime or Exempt Compensatory Time

Employees shall be compensated for overtime or additional time worked in accordance with the Group designation:

(a) Group 1 employees are those employed in classifications eligible for exemption from the overtime provisions of the Fair Labor Standards Act (FLSA) and designated by the Board of Supervisors to be salaried and, therefore, exempt from the overtime provisions of the FLSA. These employees may be required to periodically or routinely work long or irregular hours to fulfill the responsibilities of their positions.

Employees are compensated for time worked in excess of 40 hours in a work week, by the accrual of exempt compensatory time equal to the amount of time worked in excess of 40 hours in a work week. Employees' accrual bank may not exceed 80 hours. Exempt compensatory time bank accruals may be converted to cash at time of separation, without associated benefits or service credit.

(b) Group 2 employees shall be compensated for overtime by either cash payment at the rate of one and one-half (1-1/2) times the employee's hourly salary (including applicable supplements) or by the accrual of compensatory time at the rate of one and one-half (1-1/2) times the overtime hours worked. The maximum compensatory time accumulation shall be eighty (80) hours and any additional overtime worked shall be compensated by cash payment at the rate of one and one-half (1-1/2) times the employee's hourly salary (including applicable supplements).

(c) Group 3 employees are those employed in grant positions and shall be compensated for overtime as provided in their contracts.

(d) Group 4 employees are those working in positions which have been found to be non-exempt from the overtime provisions of the Fair Labor Standards Act (FLSA). Group 4 employees shall be compensated for overtime worked in the same manner as Group 2 employees.

The Department Head shall make every possible effort to ensure that compensatory time off requested by an employee is utilized at times which are mutually agreeable to the employee and the department; however, the Department Head has final authority to grant or deny such request.

5.7 Meals and Rest Periods

5.7.1 Rest Periods

To promote maximum productivity and morale, it is the policy of San Joaquin County that when County operations permit, each employee shall be entitled to two (2) rest periods not exceeding fifteen (15) minutes each, during a regular eight (8) hour shift. When County operations permit, such rest periods are to be taken as nearly as possible in the middle of each four (4) hour segment of each employee's workday. Time allowed for rest periods may not be accumulated from one half of the workday to another, nor may rest periods be used to alter an employee's normal work hours and meal periods.

5.7.2 Meals During Overtime

The County Administrator shall advise all Department Heads that any meals which must be consumed on the job after the normal workday and while working in an overtime situation are not to be considered as an interruption of overtime work performed.

The County shall neither pay for nor provide meals, nor is an employee who takes a break for a meal to be considered as being in a paid status.

Any employee, upon request, shall be allowed to take a thirty (30) minute break after two (2) hours overtime and every four (4) hours thereafter. The County retains the right to refuse requests for meal breaks in the event of an emergency.

5.8 Alternative Schedules

5.8.1 Flex Hours

The County and SJDSA shall negotiate, on request, on the implementation of a four (4) day, ten (10) hour per day, work week or other flex-time work week. Such negotiations shall be conducted between SJDSA and the County's designated negotiator.

5.10 Jury and Witness Duty

5.10.1 Jury Duty

Any regular employee who is summoned for attendance to any court for jury duty shall be deemed to be on duty and there shall be no loss of pay, however any jury fees (excluding payment for mileage) received by the employee shall be paid to the County.

5.10.2 Witness Duty

Should an employee in this bargaining unit be called as a witness in a case arising out of and in the course of the employee's County employment on a day on which the employee normally would be working the day shift, but is on scheduled vacation, the employee shall be deemed to be on regular duty and has the option of working a complete shift. The number of hours worked will not be charged to vacation time. Any member of this bargaining unit called to appear as a witness in a case arising out of and in the course of the employee's employment on any day which is not the employee's regularly scheduled work day shall be compensated for the Court noon recess. In case of a Deputy Sheriff testifying as a witness in a civil case, the Deputy Sheriff shall be compensated in accordance with Section 68097.1 et seq. of the Government Code. Any employee absent from duty to be a witness in any other matter shall be deemed off duty during such absence.

6 SALARY ADMINISTRATION

6.1 Salary Upon Appointment

New employees shall be appointed at the first step of the salary range adopted for the particular class of position to which the appointment is made. The Board of Supervisors or such individual as the Board may designate, upon certification of the Director of Human Resources that recruiting difficulties exist, may provide that a particular allocated position be filled at a step above the minimum of the range commensurate with the qualifications of the prospective appointee which are above the minimum requirements set forth in the class specifications.

Whenever such allocated position is filled in this manner, all incumbents of allocated positions who have qualifications above the minimum set forth in the class specification in the same class earning less than the step in the particular salary range at which the new employee enters may be raised to that step or to

a lower step in the range upon the request of an appointing authority and the recommendation of the Director of Human Resources and subject to approval of the County Administrator.

Notwithstanding other provisions of this memorandum regarding merit advancement days, the merit advancement of all employees in that class of position may be changed in order to retain equitable relationships as recommended by the Director of Human Resources and approved by the County Administrator.

6.2 Step Increases

6.2.1 Regular Employees

A regular employee shall be required to serve a merit advancement period of twenty-six (26) bi-weekly pay periods on each step of the salary range assigned to the classification of which the employee is an incumbent before becoming eligible for advancement to the next higher step. An employee shall not advance to the next higher step until the employee receives the affirmative recommendation from his/her Department Head and the employee's eligibility for advancement has been verified by the Director of Human Resources. An employee shall not advance to the next higher step if his/her overall performance is evaluated as less than satisfactory. Nothing in this Memorandum shall be construed to provide that step increases are automatic.

Advancement within a salary range shall not be made more frequently than once in any period of twenty-six (26) consecutive pay periods nor shall any employee advance more than one step within a salary range at one time except as provided in Section 6.1 above.

6.3 Step Increases Withheld

Any step increase withheld because of administrative oversight or inadvertence shall be made retroactive to the normal effective date of the step increase.

Any step increase withheld for cause, but upon appeal, adjudicated in favor of the employee, shall be made retroactive to the normal effective date of the step increase or some intervening date determined by the adjudicating party. If the step increase is made retroactive to the normal effective date of the step increase, the employee shall retain the employee's current anniversary date.

If some intervening date is determined by the adjudicating party, the employee shall not be eligible for the employee's next merit advancement for twenty-six (26) bi-weekly pay periods from the intervening date.

6.4 Salary Step On Promotion

An employee appointed to a position with a higher salary range shall have his/her salary adjusted to the first step of the new range or to the step in the new range which is at least 5% higher than the salary the employee was receiving prior to the promotion, whichever is greater, provided that the new salary is within the new range. For the purposes of this Section, pay supplements which are a percentage of base salary (except above class pay and special assignment pay) shall be added to the pre-promotion base salary prior to determining the appropriate step in the new range. The effective date of the promotion shall become the new merit advancement date for the employee and he/she shall not be eligible to receive a merit step increase until fifty-two (52) weeks after such date.

6.5 Order of Adjustments

Whenever an employee is promoted and receives a range change or the employee's position is reclassified to a class having a higher salary range, on the employee's merit anniversary day the employee shall first receive the merit advancement increase to which he/she may be entitled and then receive such increases to which he/she may be entitled in the following order: salary adjustment, reclassification, promotion.

6.6 Salary Step on Demotion

If an employee is demoted to a position having a lower salary range because of lack of work or funds, or in the interests of economy, or for any reason other than discipline, the employee so demoted shall receive the next lower salary in the range assigned to the new position. The employee's merit anniversary date shall remain the same.

If an employee voluntarily demotes to a position having a lower salary range, the employee shall receive the salary in the new range which is equal to the salary in the prior position or, if none, the next lower salary in the range assigned to the new position.

6.7 "Y"-Rates

Whenever an incumbent of a Civil Service exempt position accepts a demotion for reasons other than a disciplinary action to a class of position having a lower salary range, the Board of Supervisors may direct that the capital letter "Y" be set opposite the position to which the incumbent was demoted in the department budget and all payroll and other personnel records.

Whenever the effect of a reclassification is to place the incumbent in a Civil Service classified position having a lower salary range, the Board of Supervisors, upon the recommendation of the Civil Service Commission, may direct that the capital letter "Y" be set opposite the reclassified position in the department budget and all payroll and other personnel records.

Whenever the "Y" is set opposite a position, the incumbent shall continue to receive his/her previously authorized salary until termination of employment in the position, or until a higher rate of pay may be authorized, whichever comes first.

STEP 2. When an employee or SJDSA is not satisfied with the decision at STEP 1, the employee or SJDSA may submit the issues to the Department Head. In acknowledging this right, the Association does not relinquish its rights of individual employee representation or to challenge managers who use this provision without direct observable behaviors to support the referral.

The County shall offer training to Department Managers to aid in their detection and evaluation of behaviors which may lead to a referral. The County shall also report, on a statistical basis, the results of referrals of employees so long as employee and patient confidentiality are not violated.

Further, disputes arising in a context other than the meet and confer process, e.g. disputes relating to administration of this Memorandum, to formal complaints, to interpretations of codes, resolutions, Board Orders, and ordinances dealing with employee rights and benefits shall, upon mutual agreement, be processed through an impasse procedure. Neither this section nor the exercise of the option to utilize an impasse procedure shall be deemed as making any matter which is reserved to the County as right of management in the Employer-Employee Relations Policy a matter subject to the meet and confer process.

16.3 Association Release Time

The president of SJDSA shall be allocated two hundred (200) hours for Association business for each 365-day period or part thereof under this Memorandum. However, if the complaint is not resolved at the department level it shall be submitted to the County Administrator for resolution. If the County Administrator is unable or unwilling to resolve the complaint, it shall then be filed with the Board of Supervisors for resolution by means of a hearing, the time and date of which shall be set by mutual agreement of the parties involved, except that prior to submission to the Board the parties may mutually agree to submit the complaint to a third party intervenor for review and recommendation on the resolution of the complaint.

"Parties involved in the processing of grievances may, prior to the filing of the grievance with the final adjudicating body, mutually agree to submit the grievance to a third party intervenor for review and recommendation on the resolution of the grievance.

"All complaints and grievances shall be presented and acted upon in a timely manner.

"At any level of the complaint procedure the complainant and his/her representative shall be insured the opportunity of personally meeting with the adjudicating party."

"Section 3 - Appeal and Answer.

"The employee, within seven (7) calendar days after the order is furnished to the employee, may appeal the order in writing to the Director of Human Resources. The employee, in making the appeal, shall designate in writing whether the matter will be heard by the Civil Service Commission in accordance with Sections 4, 4.1, 5, and 8 of this Rule or whether the matter will be submitted to binding arbitration in accordance with Sections 6,7 and 8 of this Rule."

"Section 6 - Arbitration.

"When an employee designates the matter to be determined by arbitration, the timing and procedure of such arbitration shall be established by agreement of the parties to the arbitration. Unless otherwise agreed, the arbitrator shall be selected from a list of five (5) individuals. Each party shall name two (2) such individuals and the fifth individual shall be a member of the State Office of Administration Hearings. The parties shall then use a striking procedure to select the arbitrator. The Director of Labor Relations shall assist the parties in the administration of the arbitration but shall not be a party to the arbitration or otherwise be involved in the arbitration. The costs of the arbitration shall be borne equally by the parties."

Notwithstanding Civil Service Rule 18, Section 6, above, for disciplinary arbitrations with members of this unit, the fifth individual shall be a member of the State Mediation and Conciliation Service.

"Section 7 - Enforcement of Arbitration Award.

"If an award by an arbitrator requires action by the Civil Service Commission or the Board of Supervisors before it can be placed in effect, the Director of Human Resources will recommend to the appropriate body that it act to make such award effective."

"Section 8 - Exclusivity of Procedure and Appeal.

"An employee shall have the employee's appeal determined by the Civil Service Commission or by arbitration but an employee shall not have the right to have the matter determined by both the Civil Service Commission and arbitration and a matter determined by one procedure may not be appealed through the alternate procedure. The determination by the Civil Service Commission or by arbitration is final and binding upon the parties and any appeal therefrom shall be to a court of competent jurisdiction within ninety (90) days of the decision of the Civil Service Commission or arbitrator."

"Section 9

"Provisions of Sections 6,7, and 8 of this Rule shall not abridge any rights to which an employee may be entitled under other sections of the Civil Service Rules and Regulations regarding hearings before the Civil Service Commission."

17 ENTIRE AGREEMENT

Except as otherwise specifically provided herein, the Memorandum of Understanding (MOU) fully and completely incorporates the understanding of the parties hereto regarding the provision contained in this MOU. The parties, for the term of this Agreement, do not waive the obligation to negotiate with respect to any practice, subject, or matter within the scope of bargaining not specifically referred to or covered in this Agreement. In the event the County proposes a change in any practice, subject, or matter which within the scope of bargaining and is not covered by this Agreement, the County will give the association advance written notice of the proposal and will, upon request of the association, meet and confer with the association concerning the proposal.
