(b) Lay off or demote employees from duties because of lack of funds, in the interest of economy, or other legitimate reasons.

(c) Determine the policies, standards, procedures, methods, means and personnel by which County operations are to be conducted.

(d) Take whatever actions may be necessary to carry out the mission of the County in situations of emergency.

(e) Nothing in this Memorandum shall be construed to interfere with the County's right to manage its operations in the most economical and efficient manner consistent with the best interests of all the citizens of San Joaquin County.

1.2. Labor - Management Committees

The County and SJCCOA shall establish committees comprised of labor and management representatives to deal with specific areas of concern as specified by separate letter.

1.3. Employees' Rights - Employer-Employee Relations

(c) The right to refuse to join or participate in the activities of any employee organization.

(d) The right to represent himself/herself individually in his/her employee relations with the County.

Any employee who believes he or she has been harassed or discriminated against because of any of the above reasons, may bring the matter to the attention of the supervisor or may consult with his or her departmental Equal Employment Opportunity Coordinator. No flex schedule arrangement shall be implemented until the County and SJCCOA adopt a memorandum of understanding specifically setting forth provisions of the schedule with respect to overtime, holiday, sick leave and other affected benefits.

5.10. Jury and Witness Duty

5.10.1. Jury Duty

Any regular employee who is summoned for attendance to any court for jury duty shall be deemed to be on duty and there shall be no loss of pay, however, any jury fees (excluding payment for mileage) received by the employee shall be paid to the County. Employees who receive a jury summons are required to immediately notify the immediate supervisor.

Any employee who works a rotating shift in a 24 hour facility who receives a summons for jury duty shall request a jury duty deferral until such time that the employee rotates to a day shift. If a deferral is not granted by the Court, the employee shall immediately notify the supervisor to modify work schedule to accommodate jury duty.

5.10.2. Witness Duty

Any employee who shall be called as a witness in a case arising out of and in the course of the employee's County employment shall be deemed to be on duty and there shall be no loss of pay. Any witness fees received by the employee shall be paid to the County together with any mileage allowed if the employee uses County-provided transportation. If such witness duty is performed on a day on which the employee would normally not be working, the employee shall be deemed to be on duty and shall be compensated for overtime as provided in Section 5.3. An employee called as a witness in any other matter shall be deemed off duty.

A unit employee called as a witness in a case arising out of and in the course of employment on a day on which the employee normally would not be working the day shift, but is on scheduled vacation, shall be deemed to be on regular duty and shall have the option of working a complete shift. The number of hours worked will not be charged to vacation.

5.11.1. Reassignment

The County and SJCCOA agree that one of the factors to be assessed when involuntarily reassigning an employee shall be the seniority of the qualified employees.

Any employee who is involuntarily transferred may request a written statement from the appointing authority as to the reasons for the reassignment. This written response shall be issued within fourteen calendar days from the date of the request.

6. SALARY ADMINISTRATION

6.1. Salary Upon Appointment

New employees shall be appointed at the first step of the salary range adopted for the particular class of position to which the appointment is made. The Board of Supervisors or such individual as the Board may designate, upon certification of the Director of Human Resources that recruiting difficulties exist, may provide that a particular allocated position be filled at a step above the minimum of the range commensurate with the qualifications of the prospective appointee which are above the minimum requirements set forth in the class specifications.

Whenever such allocated position is filled in this manner, all incumbents of allocated positions who have qualifications above the minimum set forth in the class specification in the same class earning less than the step in the particular salary range at which the new employee enters may be raised to that step or to a lower step in the range upon the request of an appointing authority and the recommendation of the Director of Human Resources and subject to approval of the County Administrator.

Notwithstanding other provisions of this memorandum regarding merit advancement days, the merit advancement of all employees in that class of position may be changed in order to retain equitable relationships as recommended by the Director of Human Resources and approved by the County Administrator.

6.2. Step Increases

6.2.1. Regular Employees

A regular employee shall be required to serve a merit advancement period of twenty-six (26) bi-weekly pay periods on each step of the salary range assigned to the classification of which the employee is an incumbent before becoming eligible for advancement to the next higher step. An employee shall not advance to the next higher step until the employee receives the affirmative recommendation from his/her department head and the employee's eligibility for advancement has been verified by the Director of Human Resources. An employee shall not advance to the next higher step if his/her overall performance is evaluated as less than satisfactory. Nothing in this Memorandum shall be construed to provide that step increases are automatic.

Advancement within a salary range shall not be made more frequently than once in any period of twenty-six (26) consecutive pay periods nor shall any employee advance more than one step within a salary range at one time except as provided in Section 6.1. above.

6.3. Step Increases Withheld

Any step increase withheld because of administrative oversight or inadvertence shall be made retroactive to the normal effective date of the step increase.

Any step increase withheld for cause but, upon appeal, adjudicated in favor of the employee, shall be made retroactive to the normal effective date of the step increase or some intervening date determined by the adjudicating party. If the step increase is made retroactive to the normal effective date of the step increase, the employee shall retain the employee's current anniversary date. If some intervening date is determined by the adjudicating party, the employee shall not be eligible for the employee's next merit advancement for twenty-six (26) bi-weekly pay periods from the intervening date.

6.4 Salary Step On Promotion

An employee appointed to a position with a higher salary range shall have his/her salary adjusted to the first step of the new range or to the step in the new range which is at least 5% higher than the salary the employee was receiving prior to the promotion, whichever is greater, provided that the new salary is within the new range. For the purposes of this Section, pay supplements which are a percentage of base salary (except above class pay, special assignment pay, or supplemental pay that carry over to the promotion class) shall be added to the pre-promotion base salary prior to determining the appropriate step in the new range. The effective date of the promotion shall become the new merit advancement date for the employee and he/she shall not be eligible to receive a merit step increase until fifty-two (52) weeks after such date.

6.5. Order of Adjustments

Whenever an employee is promoted and receives a range change or the employee's position is reclassified to a class having a higher salary range, on the employee's merit anniversary day the employee shall first receive the merit advancement increase to which he/she may be entitled and then receive such increases to which he/she may be entitled in the following order: salary adjustment, reclassification, promotion.

6.6. Salary Step on Demotion

If an employee is demoted to a position having a lower salary range because of lack of work or funds, or in the interests of economy, or for any reason other than discipline, the employee so demoted shall receive the next lower salary in the range assigned to the new position. The employee's merit anniversary date shall remain the same.

If an employee voluntarily demotes to a position having a lower salary range, the employee shall receive the salary in the new range which is equal to the salary in the prior position or, if none, the next lower salary in the range assigned to the new position.

6.7. "Y"-Rates

Whenever an incumbent of a Civil Service exempt position accepts a demotion for reasons other than a disciplinary action to a class of position having a lower salary range, the Board of Supervisors may direct that the capital letter "Y" be set opposite the position to which the incumbent was demoted in the department budget and all payroll and other personnel records.

Whenever the effect of a reclassification is to place the incumbent in a Civil Service classified position having a lower salary range, the Board of Supervisors, upon the recommendation of the Civil Service Commission, may direct that the capital letter "Y" be set opposite the reclassified position in the department budget and all payroll and other personnel records.

Whenever the "Y" is set opposite a position, the incumbent shall continue to receive his/her previously authorized salary until termination of employment in the position, or until a higher rate of pay may be authorized, whichever comes first.

For the purposes of this section, each eight (8) hours of sick leave is equal to one (1) day.

The amount of credit allowed for each day of accumulated sick leave shall be calculated as follows:

For any eligible member of this unit employed by the County prior to the date of this Memorandum, the dollar value of the conversion shall be capped at \$221.24 for each eight (8) hours of sick leave.

Any employee hired after August 27, 2001 shall not be eligible for this benefit.

The account shall be eligible for use by the employee and the employee's dependents eligible under the plan, as of the effective date the retired employee is first paid a monetary retirement allowance by the Retirement Association and shall continue until such

account is fully depleted, the employee ceases to be a member of the Retirement Association, or the employee and all the employee's dependents cease to be covered by the health insurance plan, whichever first occurs. Retirees who are on deferred status shall be eligible for health insurance coverage but may not utilize such account mentioned above until otherwise eligible.

Pursuant to San Joaquin County Ordinance No. 4122, employees eligible for sick leave credit accounts under this section will be offered the opportunity to use accumulated sick leave for service credit under Government Code Section 31641.03 in lieu of a sick leave credit account.

The supervisor will immediately investigate the allegation. The supervisor may check with a higher level of management, or a departmental safety coordinator and thereafter direct the employee to either temporarily perform other duties or proclaim the situation safe and direct the employee to proceed with assigned duties.

Except in cases of termination, release from probation, or leave of absence, employees who receive an unsatisfactory performance evaluation must receive a follow-up evaluation. Employees shall be given an opportunity to read and initial any report to be added to their personnel files, but an employee shall not be required to sign any such report. If the employee refuses to sign any report, a notation to that effect may be entered on the document. A copy will be provided to the employee upon request.

An employee shall have the right to submit written comments regarding any document in his/her personnel file and to have such comments included in his/her personnel file along with the document.

11.4. Letters of Reprimand

In acknowledging this right, the Association does not relinquish its right of individual employee representation or to challenge managers who use this provision without direct observable behaviors to support the referral.

The County shall offer training to Department Managers to aid in their detection and evaluation of behaviors which may lead to a referral. The County shall report to SJCCOA, on a statistical basis, the results of referrals of employees so long as employee and patient confidentiality are not violated.

SJCCOA may file and process complaints on behalf of employees, but the complainants must be identified by name if necessary to the processing of the complaint.

17.3. Filing Deadline

Complaints filed under this Section should be initiated within thirty (30) days from the time the employee knew or had reason to know of the facts giving rise to the complaint.

17.4. Complaint Processing

STEP 1: Any complaint shall be discussed with the employee's immediate supervisor. If the issue is not resolved at the supervisor's level within fifteen (15) working days from the day of presentation, the issue may be processed to the second step. If the department head is the immediate supervisor, the complaint shall be in writing and contain the information specified in Step 2 below.

STEP 2: If the complaint is not resolved at Step 1 of this procedure, then the complaint may be filed with the appointing authority or designee. The complaint must be in writing and must be filed within twelve (12) days of the response from Step 1 or from the date when such response was due. The complaint must state: (1) the specific policy, ordinance, resolution, procedure, or agreement which is alleged to have been violated; (2) the statement of facts comprising the violation; (3) the requested remedy. The appointing authority, or designee shall have fifteen (15) working days in which to investigate the issues and respond in writing to the complaint. NOTE: If the immediate supervisor, in Step 1 of this process, is the appointing authority or designee, Step 2 may be bypassed; however, the complaint must be in writing as specified above.

STEP 3: Within twelve (12) days of the receipt of the written response or date when the written response was due from the appointing authority or designee, the employee or representative may file the complaint with the County Administrator or designee. The grievance must be in writing and contain the information specified in Step 2 above. The County Administrator or designee shall have thirty (30) days from receipt of the complaint in which to investigate the complaint and issue a written response.

STEP 4: Within twelve (12) days of receipt of the Step 3 response, or from the date when written response was due, the complaint may be filed, in writing and containing the information specified in Step 2 above, with the San Joaquin County Board of Supervisors for resolution by means of a hearing, the time and date of which shall be set by mutual agreement of the parties involved. The decision of the Board is final and binding.

Prior to submission to the Board, the parties may mutually agree to submit the complaint to a third party intervenor for review and recommendation on the resolution of the complaint, in accordance with Section 6 of the San Joaquin County Employer-Employee Relations Policy. If either party disagrees with the recommendation of the third party intervenor and wishes to have the recommendation reviewed by the Board of Supervisors, the party must submit their request to the Labor Relations Division within thirty (30) days after the issuance of the recommendation for scheduling with the Clerk of the Board. If neither party submits a request within thirty (30) days, the recommendation of the third party intervenor shall be considered a final and binding decision on the complaint.

18. ADVISORY ARBITRATION

As an alternative procedure for the resolution of impasses, the County and SJCCOA may, upon mutual agreement, including agreement as to procedure, submit matters in dispute in the course of the meet and confer process to advisory arbitration. Further, disputes arising in a context other than the meet and confer process, e.g. disputes relating to administration of this Memorandum, to formal complaints, to interpretations of codes, resolutions, Board Orders, and ordinances dealing with employee rights and benefits shall, upon mutual agreement, be processed through an impasse procedure. Neither this Section nor the exercise of the option to utilize an impasse procedure shall be deemed as making any matter which is reserved to the County as a right of management in the Employer-Employee Relations Policy a matter subject to the meet and confer process.

19. DISCIPLINARY ACTIONS

19.1. Applicability

These procedures are not applicable to temporary, contract or probationary employees except as specified in Section 19.8.

To initiate disciplinary action against a permanent, Civil Service employee, the appointing authority must follow the provisions of Civil Service Rule 18. The appointing authority must submit to the employee a written notice of intent to take disciplinary action and file a copy with the Labor Relations Division. The notice must state specifically the reason(s) for the action and explain the employee's "Skelly" rights of appeal.

19.2. Request for Hearing

The employee may appeal the proposed action and request a hearing by responding in writing to the appointing authority within seven (7) calendar days of receipt of the notice.

Upon receipt of a timely response, the appointing authority shall schedule and conduct a "Skelly" hearing as soon as possible.

19.3. Rights of Access

The employee shall be given access to copies of all materials supporting the proposed action and shall be provided with copies upon request.

19.4. Representation

The employee may be represented at the hearing by a representative of the employee's choice.

19.5. Conduct of Skelly Hearing

The appointing authority, or a designee who has authority to amend the discipline, shall be the hearing officer at the informal "Skelly" hearing. Upon consideration of all materials and discussions presented at the hearing, the appointing authority, or designee, may determine to uphold, modify, or revoke, the proposed disciplinary action.

19.6. Order of Disciplinary Action

If the employee does not respond to the notice of intent within the prescribed time limits, or if, after hearing, the appointing authority determines that disciplinary action is appropriate, the appointing authority shall submit to the employee a written order of disciplinary action. The order shall state the proposed action, the reasons for the action, and the employee's rights of appeal.

19.7. Appeal of Order of Disciplinary Action

The employee, within seven (7) calendar days after the order is furnished to the employee, may appeal the order in writing to the Director of Labor Relations. The employee, in making the appeal, shall designate in writing whether the matter will be heard by the Civil Service Commission or whether the matter will be submitted to binding arbitration. In accordance with the provisions of Civil Service Rule 18, selection of one appeal method shall exclude the possibility of appeal through the alternate procedure on the same issue.

Appeal and arbitration hearings shall be conducted in accordance with Civil Service Rule 18.

20. SUPERSESSON AND MODIFICATION CLAUSE

Except as may hereinafter be agreed to in writing, and except for the San Joaquin County Employer-Employee Relations Policy, this Memorandum of Understanding contains the sole and entire agreement between the parties. It supersedes any and all other previous Memoranda of Understanding between the parties and incorporates by reference all

such previous memoranda between the designated representatives of members of this representation unit and the County and also supersedes and incorporates by reference any and all Resolutions and Board orders adopted by the San Joaquin County Board of Supervisors which were adopted to implement any Memorandum of Understanding between the designated representatives of members of this representation unit and the County; other terms and conditions of employment not specified herein shall remain as they are for the term of this Memorandum of Understanding except that where the language of such Memoranda, Resolutions, Board Orders or such other terms and conditions of employment not specified herein conflicts with, or is different from, the language contained in this Memorandum, this Memorandum shall prevail and apply. The parties acknowledge and agree that neither of them has made any representations with respect to the subject matter of this agreement or any representations inducing the execution and delivery hereof except such representations as are specifically set forth herein. No waiver or modification of this agreement or any covenant, condition or limitation herein contained shall be valid unless in writing and duly executed by the parties hereto; no officer, employee or agent of the County has any authority to waive or modify this agreement or any covenant, condition or limitation herein contained without the express prior approval of the San Joaquin County Board of Supervisors or its designee.
