OPERATIONS *Mission Statement*

The San Joaquin County Sheriff's Office is dedicated to delivering quality service through the creation of partnerships with the people we serve.

All members of this department will carry out their duties and responsibilities in such a manner as to afford dignity, respect, and compassion to every individual with whom they come in contact.

With community partnerships as our foundation, we are driven by goals to enhance the quality of life, investigating problems as well as incidents, seeking solutions, and fostering a sense of security in communities and individuals. We nurture public trust by holding ourselves to the highest standards of performance and ethics.

CUSTODY *Mission Statement*

The San Joaquin County Sheriff Custody Division will promote safe, secure and humane housing for pre-sentenced and sentenced inmates. Service to the general public and the Criminal Justice System will be of the highest quality.

Operation of the facilities will be consistent with the principles of direct supervision, will at all times meet Minimum Jail Standards as defined in Title 15 of the California Code of Regulations, and will insure public safety. Programs and services will be made available to influence positive behavior with the intent to provide the opportunity for inmates to be returned back to the community in equal or better condition both physically and psychologically than when received.

These goals will be met, in a cost effective manner while assuring staff of a productive, safe and secure work environment and providing them with the vision, leadership tools, and resources to fulfill this mission.

LETTER FROM THE SHERIFF

As we reflect on the past year at the San Joaquin County Sheriff's Office, it's with a deep sense of dedication to our community that we present our 2023 Annual Report. This marks our ongoing commitment to transparency and communication with you, the residents of this remarkable county.

When I assumed office, one of my priorities was to create a platform that showcases our efforts, achievements, and the dedication of every member of our team. This report serves a dual purpose: to provide an overview of our accomplishments, services, and workload, and to highlight the unwavering commitment and hard work of our staff.

Every day, our Deputy Sheriffs, Correctional Officers, and Professional Staff come to work ready to serve. Their commitment goes beyond addressing crimes; it extends to alleviating public concerns and enhancing the quality of life for everyone in our community, including those in our care. Our commitment to rehabilitation and community welfare is paramount. We strive to offer services and programs that empower individuals who have made mistakes to transform their lives positively and contribute meaningfully to society.

Beyond our uniformed personnel, our Professional Staff, including Dispatchers, Animal Services, and Technical Support, play a crucial role in our operations, ensuring efficiency and effectiveness in serving you. The 2023 Annual Report is not just a summary of our activities; it's our pledge to uphold excellence, treat every citizen with respect, and continually enhance our services for the betterment of San Joaquin County.

We invite you to explore the report, review our efforts, and join us in our ongoing journey toward a safer and thriving community. Thank you for your continued support, and may you and your loved ones be blessed.

Sheriff Patrick Withrow
