2024 ANNUAL
REPORT

www.sjsheriff.org

CUSTODY MISSION STATEMENT

The San Joaquin County Sheriff's Custody Division will promote safe, secure and humane housing for pre-sentenced and sentenced inmates. Service to the general public and the Criminal Justice System will be of the highest quality.

Operation of the facilities will be consistent with the principles of direct supervision, will at all times meet Minimum Jail Standards as defined in Title 15 of the California Code of Regulations, and will insure public safety. Programs and services will be made available to influence positive behavior with the intent to provide the opportunity for inmates to be returned back to the community in equal or better condition both physically and psychologically than when received.

These goals will be met, in a cost effective manner while assuring staff have a productive, safe and secure work environment and providing them with the vision, leadership tools, and resources to fulfill this mission.

OPERATIONS MISSION STATEMENT

The San Joaquin County Sheriff's Office is dedicated to delivering quality service through the creation of partnerships with the people we serve.

All members of this department will carry out their duties and responsibilities in such a manner as to afford dignity, respect, and compassion to every individual with whom they come in contact.

With community partnerships as our foundation, we are driven by goals to enhance the quality of life, investigating problems as well as incidents, seeking solutions, and fostering a sense of security in communities and individuals. We nurture public trust by holding ourselves to the highest standards of performance and ethics.

PATRICK WITHROW
Sheriff, San Joaquin County Sheriff's Office

On behalf of myself and the entire administration team, I am honored to present the 2024 San Joaquin County Sheriff's Office Annual Report. This report reflects on our progress and challenges over the past year, highlighting our dedication to trust, collaboration, and an unwavering commitment to the community we proudly serve. Our mission goes beyond fulfilling duties; it's about fostering transparency, accountability, and partnership with the residents of San Joaquin County.

A core purpose of this report is to ensure transparency with the community. We deeply value the trust you place in us to keep you safe, and with that comes the responsibility to be open about our operations, challenges, and successes. By sharing our work, we aim to maintain open communication and strengthen the bond between the Sheriff's Office and the people we serve.

Every year, we strive to improve this report, refining how we present our programs, initiatives, and achievements. This year, we've made strides in public safety, expanded community outreach, and embraced new technologies to better protect our county. We've also invested in our staff to ensure they have the tools and training needed to meet the county's evolving needs. While we celebrate these accomplishments, we remain focused on areas of improvement, addressing challenges with urgency and dedication.

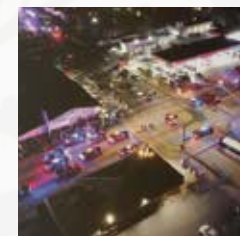

I want to personally thank the men and women of the Sheriff's Office for their tireless dedication and professionalism. Their efforts drive all we achieve. To the community, thank you for your continued trust, support, and partnership. Together, we will continue to make San Joaquin County a safer and stronger place to live, work, and thrive.

Thank you for taking the time to review this report. I look forward to our continued collaboration in the years ahead.

Sheriff Patrick Withrow

YEAR AT A GLANCE

FEBRUARY 3RD

The Sideshow Taskforce took decisive action to address illegal street takeovers, resulting in a major victory for public safety. The operation led to the towing of 89 vehicles, over 250 individuals being interviewed and charged, and the effective elimination of sideshow activity within San Joaquin County.

JULY

In partnership with the District Attorney's Office, we co-founded the Multi-Agency Anti-Sexual Assault and Labor Trafficking Task Force (ASALT), a collaborative effort to combat and prevent sexual assault and labor trafficking across the region.

MAY 11TH

K9 Duke was remembered as one of the fallen. The San Joaquin County Sheriff's Office proudly paid tribute by sending our Honor Guard, along with members of our K9 Unit, Mounted Patrol Unit, and other representatives, to honor his service and represent both our office and our county.

AUGUST 12TH

The Office of Congressman Josh Harder allocated \$838,000 in funding to support the development of the San Joaquin County Sheriff's Office's new Real-Time Crime Center, enhancing our ability to respond to and prevent crime efficiently.

AUGUST 13TH

The Board of Supervisors approved the Sheriff's Office request to establish an Investigative Services Unit within the County Jail, enhancing our ability to address and investigate criminal activity more effectively.

AUGUST 29TH

Celebrated the topping-out milestone for the new detention and program facility. By November 30, construction had reached 42% completion, progressing to 73% completion by December 31, marking significant advancements toward the facility's completion.

DECEMBER 19TH

The Sheriff's Office coordinated "Operation Toy Drop," delivering toys to schools and community locations, spreading holiday cheer to countless children and families.

SPECIAL SERVICES DIVISION (SSD) addresses street crimes, quality-of-life issues, and complex incidents while supporting other divisions. Using an Intelligence-Led Policing model, SSD leverages data from the Research and Intelligence Division (RAID) to identify problem areas, groups, and crime trends. Flexible and adaptable, SSD personnel can be reassigned to various operations, pooling resources to quickly tackle complex problems without being constrained by minimum staffing requirements.

RAID

The Research and Intelligence Division (RAID), formerly known as Crime Analysis, drives the Intelligence-Led Policing model by collecting and analyzing data to inform resource deployment and investigations. RAID's functions include subject and location workups, crime predictions, tactical forecasting, cellular forensics, social media analysis, and crime trend statistics. Their insights allow personnel to adjust schedules and strategies to address emerging issues effectively.
